THE WEYBURN AGRICULTURAL SOCIETY

The Weyburn Agricultural Society originated from the enthusiasm of a small group of men interested in horse racing. It was named the Weyburn Turf Club. In 1908 the Turf Club was reorganized into the Weyburn Agricultural Society. The Society is a non-profit organization of volunteers providing an annual exhibition, development and improvement of agriculture and agricultural practices, the promotion of youth activities and the betterment of rural and urban life in general. The organization is a vital part of the community, providing education, a meeting place to enjoy fellowship and an opportunity to view the efforts of urban and rural citizens.
